DETAILED ACTION

Applicant's amendment on 08 December 2006 has been fully considered. Claims 5, 8-10, 12 and 13 are therefore allowed with the additional limitations included.

Examiner's Statement Of Reasons For Allowance

The following is an examiner's statement of reasons for allowance:

Claim 5 is allowed. Previously objected claim 5 has been rewritten in independent form to include all of the limitations of the base claim and any intervening claims and is now in conditions for allowance.

Claim 8 is allowed. Previously objected claim 8 has been rewritten in independent form to include all of the limitations of the base claim and any intervening claims and is now in conditions for allowance.

Claim 9 is allowed. Previously objected claim 9 has been rewritten in independent form to include all of the limitations of the base claim and any intervening claims and is now in conditions for allowance.

Claim 10 is allowed. Previously objected claim 10 has been rewritten in independent form to include all of the limitations of the base claim and any intervening claims and is now in conditions for allowance.

Claims 12 and 13 are allowed for the reasons indicated in the previous Office action, mailed 13 June 2006, paper number 20060606.

Therefore, claims 5, 8-10, 12 and 13 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
